

Airbnb Turnover Cleaning Checklist

For Hosts and Cleaning Teams

Bedrooms

- ☐ Strip used bed linens and replace with fresh ones
- ☐ Dust surfaces (nightstands, lamps, headboards, shelves)
- ☐ Vacuum or mop floors, including under the bed
- ☐ Clean windows and mirrors
- ☐ Check for personal items left behind
- ☐ Disinfect high-touch areas (light switches, remotes, drawer handles)

Bathrooms

- ☐ Scrub and sanitize toilet, sink, and shower/tub
- ☐ Replace used towels with clean ones
- ☐ Clean mirrors and fixtures
- ☐ Empty trash bins and replace liners
- ☐ Refill toilet paper, soap, and other amenities
- ☐ Mop floor and check for mildew

Kitchen

- ☐ Wash and put away dishes
- ☐ Wipe countertops and sanitize all surfaces
- ☐ Clean inside microwave, fridge, and oven
- ☐ Take out garbage and replace bin liners
- ☐ Refill paper towels, coffee, tea, and condiments
- ☐ Check for expired food or spills in fridge

Living Areas

- ☐ Dust furniture, shelves, and electronics
- ☐ Vacuum carpets, rugs, and upholstered furniture
- ☐ Disinfect remote controls, door handles, and light switches
- ☐ Check for damage or missing items
- ☐ Straighten furniture and fluff pillows

Final Touches

- ☐ Open windows to air out space
- ☐ Check WiFi info and guest instructions are visible
- ☐ Leave welcome note or treat (optional)
- ☐ Do a final walkthrough before locking up

Notes:

- Use gloves and fresh clothes for each area to prevent cross-contamination.
- Always restock essentials: hand soap, toilet paper, paper towels, etc.
